

# Upgrade/Load the OS on the TI-Nspire™ CX Calculator using another TI-Nspire™ CX Calculator

## Step 1:

Connect both handheld units together using the Mini-A to Mini-B USB cable.

## Step 2:

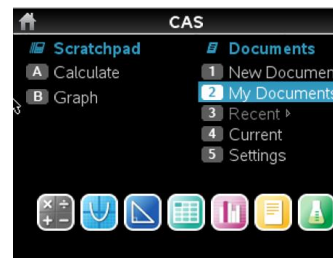

Make sure both handheld units are powered on.

The following steps are to be done on the Sending Calculator.

## Step 3:

Press 2) My Documents.

## Step 4:

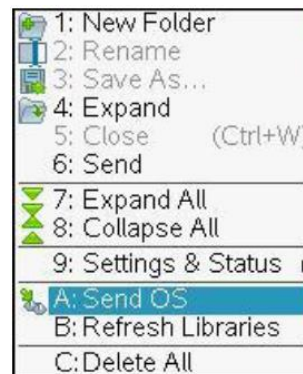

Press Menu

## Step 5:

Press A: Send OS

The OS transfer should complete in 2 - 3 minutes.

\*Note: The sending calculator must be on the same or higher OS than previously used on the receiving calculator.
